"...Thank you Vanessa for such an awesome talk last night! I loved it! So informative and yet so relaxed and comfortable. I'm always really open and straightforward with my boys about all those topics, but I got so many new ideas from you last night! Thank you very much. I'm so thrilled you'll be talking to our children this week - they're very lucky. Wouldn't it have been great if schools were doing this when we were kids!..." Primary School Parent, July, 2021
